Email: \_\_\_\_\_

Web-Site: \_\_\_\_\_

How many decals needed? \_\_\_\_\_ How many brochures for a six-month period? \_\_\_\_\_

“Yes, I am the owner or authorized representative of a carpet cleaning service business and would like my business to be recognized as a member of the Business Partners for Clean Water. I understand that my obligations for this membership include complying with the waste management requirements identified in the Boise City Code 8-15, which includes the Boise City Non-Stormwater Disposal Best Management Practices Handbook. In exchange for my voluntary participation in this program, I hope that my business will benefit from:

- being listed on the Partners for Clean Water web site (see [www.PartnersForCleanWater.org](http://www.PartnersForCleanWater.org))
- a *Business Partners for Clean Water* decal to be displayed on my business vehicles
- recognition from my customers that my business is a member of the *Business Partners for Clean Water* recognition program - and that my employees and I dispose of carpet cleaning wastes in ways the protect our local water quality”
